Why HR Karma?

HR work has a long term effect - both within and outside the company. We consider this in our work. Our goal is to find opportunities in HR actions that will strengthen your company culture. We provide HR support with vision.

Our Clients

Our clients are medium-sized companies, which are often part of larger international corporations. They want to shape, change and develop their organizations. In this process, they move into unknown territory and are looking for a reliable partner who will also resolve crisis situations with them. We are contacted by business leaders, owners, HR leaders and managers.
